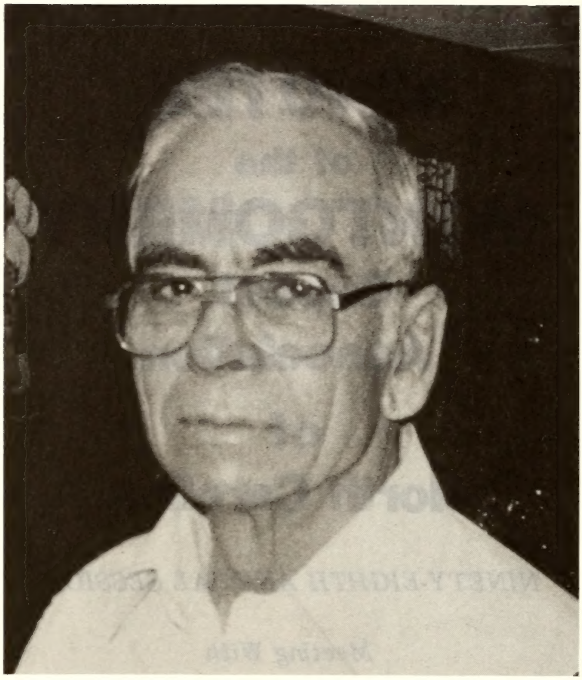
CLERK.....*MRS. RACHEL KERN*



IN MEMORY OF REV. MARTIN L. SMITH

Rev. Martin L. Smith was born June 17, 1916. He attended school in Oakboro, North Carolina. After his conversion he served as a deacon in the Red Cross Baptist Church, Oakboro, during the pastorate of Rev. Arlie Starnes. Martin began preaching in May 1954. During his 32 years in the gospel ministry, he served as pastor of Gospel Chapel, Biscoe for 1 year; founded Southside Baptist Church, Biscoe, and served as their pastor 2 years; was pastor of Wayside Baptist Church, Mt. Gilead for 1 year; was pastor at Exway Baptist Church, south of Troy 13 years; Laurel Street Baptist Church, Albemarle 4 years; New Hope Baptist Church, Ellerbe 1 year; and completed his ministry as pastor of Exway Baptist Church for 10 years. **He went to be with the Lord on May 9, 1986. We express our deep sympathy to** Mrs. Smith and the family and gratefully dedicate this associational annual to his memory.

JAMES BURDETTE GREENE

James Burdette Greene, better known as J.B., was an outstanding Layman of the First Baptist Church of Mt. Gilead. He served in many places of leadership of his church; deacon, choir member, Sunday School teacher, etc. He did a lot of visiting and helping the sick and elderly that few people knew about. He also served in many places in the association; Moderator, Executive Committee, Sunday School Director, Committee on Committees. J.B. also served on the General Board of the N.C. Baptist State Convention, and was known all over the state.

J.B. was very proud of his wife, Ruth and their four children. He was very civic-minded. He was a merchant for many years, and was office manager before his retirement. His philosophy was "I never let anyone remain angry at me" explains his outgoing personality.

It is with pride that we dedicate our minutes this year in memory of him, as he was a credit to his family, his church, his denomination, and community.

Baptist Children's Homes' Annual Report to the Association: 1986

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rahabilitation of families to avoid, wherever possible, the placement of the child away from home.

The new Homes and Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes. twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May, 1987.

Update/Thomasville Area:

During the past year, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church. In addition, the children/youth on the Mills Home campus participated in January Bible Study, Vacation Bible School, chorus, Sunday School, worship, R.A.s, G.A.s, Acteens, drama and the Christmas cantatas. Many of the children/youth in care availed themselves to the opportunity of attending our denominational camps.

The **Arts & Craft Festival** honoring the youth of our state was held in May. Youth under 18 years of age were invited to participate in a juried art show that was judged by well-known artist Bob Timberlake. Plans are for a repeat of this festival in April or May, 1987.

Homecoming on the Mills Home campus witnessed more than 800 alumni returning to their "home,"

The staff on the Mills Home campus annually plans an awards night during which time every child/youth in care is given a certificate of achievement. Every child/youth is recognized as having made progress in one or more areas of their life.

The staff, trustees, children in care and our president are grateful to the Baptists of North Carolina for their faithfulness as expressed through their financial support. Thirty-seven percent of our daily operating budget is derived from the Baptists of North Carolina. We believe our ministry is a fulfillment of the mission mandate of the Great Commission. The Baptist Children's Homes of North Carolina has existed for 101 years for one reason...to serve children and their families...in your stead...in Christ's name.

NORTH CAROLINA'S BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1986

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. 8 patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman'a heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with pa-

tients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist Churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

REPORT TO THE ASSOCIATIONS -- 1986
The Biblical Recorder

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our every growing and changing state. **The Biblical Recorder** is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the **Recorder** indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than ever then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians -- fewer persons in North Carolina are members of any church than are not -- and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The **Recorder** welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Love You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the **Recorder** will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, **subscription rates will not be raised for the fifth consecutive year.** Many of the other major state Baptist papers such as the **Recorder** have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Let us pray and work together for the advancement of Christ's Kingdom as never before. Thank you for your support.

BROTHERHOOD REPORT
(Paul Gordon)

The basic purpose of the Associational Brotherhood Program is to help churches involve men and boys in missions.

Men and boys represent the churches most valuable resource. Jesus commanded them to "Go and teach all nations (Matthew 28:18-20). Many of these will eventually be called to serve as missionaries or even Christian Laymen. They will have the opportunity to serve in mission projects involving disaster relief, construction of churches, Backyard Bible Clubs, etc. What a powerful influence for Christ can be had by men and boys involved in missions.

Thirteen churches in the association gave $7,775.24 to buy the materials and help pay on expenses to build the second church in Haiti of the V.I. A total of $11,731.64 was given by nineteen churches, including $100 by Lovejoy United Methodist, the volunteers provided the remainder of the funds.

The churches of the Montgomery Association that supported the mission project are Bethel, Biscoe First, Candor First, Dover, Eagle Springs, Forks of Little River, Laurel Hill, Mt. Carmel, Mt. Gilead First, Pleasant Grove, Stoney Fork, Troy First, and Wadeville. A total of nine men made the trip, seven of the men are from the Montgomery Association; Winford Davis and Fred Hare from Dover; Danny Hinson, David Wood, and Paul Gordon from Mt. Carmel; Jerry Smith, and Rev. Lonnie Gibson from Stoney Fork. Two of the men were from Holdah Baptist Church of the Randolph Association; James Johnson, and Rick Moran. The Rev. Lonnie Gibson delivered the Sunday morning message (with interpreter) on the first Sunday of the new year.

This year we held a "Correction Awareness Conference" on the possiblity of christian witness at the prison. We also held an associational brotherhood workship for Baptist men and RA's (crusader's and pioneer's).

We would like to have your church become involved in volunteer work at (Fort Caswell) the North Carolina Baptist Assembly. If interested contact the Associational Brotherhood Director or Associational Director of Missions.

This year we are thankful for the new work in RA's at Tabernacle. We continue to challenge all baptist men and boys to become personally involved in mission activities through mission study, pray for and give to missions, develop personal ministry and undergrid their church and denomination.

EVANGELISM REPORT 1986
(Randolph Browning)

Evangelism is more than having revival meetings. Evangelism is also training Christian people to go and tell about Jesus in their homes and on the job. As people talk about Jesus and give good witness for Him, then the need for revival is felt. People need to be interested enough to attend training sessions.

In our "Good News America, God Love You" promotional effort, we invited Rev. Marion Powell from Hickory, NC to be our guest speaker. He spoke to the pastors and wives dinner meeting, then to the Associational "Good News America, God Loves You" meeting at the First Baptist Church in Star. His message and challenge was well received.

Many of the churches in our Association conducted the "Good News America, God Loves You" revivals but our statistical reports were not received.

Remember, Evangelism = train, serve, win.

Remember, Ninety seven percent of the people are not going to attend our church unless we go to them and tell them about Jesus Christ.

SUNDAY SCHOOL REPORT
(Dale Robertson)

Challenge 10/90 is Southern Baptists Nationwide effort to reach a Sunday School enrollment of 10 million persons by September 30, 1990. This is a new theme for a timeless mission. We want to see our Sunday Schools grow because this involves spiritually needy people in Bible study, Christian fellowship, and brings them under the saving power of the Holy Spirit. Has your church set a goal for enrollment this year?

In our association we are seeking to help the churches improve the effectiveness of the teaching effort. In August a Literature Interpretation was held with 10 churches represented and 36 people present. An Assist team for Randolph Association led this event. Everyone who came improved their ability to communicate the Word of God. A Teacher Workshop is planned for March. We also hope in the future to put together an Assist Team to work here in Montgomery Association.

WOMAN'S MISSIONARY UNION REPORT
(Joann Greene)

Missions is what churches do in keeping with the Commission of their sovereign Lord to extend their witness and ministry beyond themselves to bring all people to Christ and to glorify God. In other words, missions is what the church does directly or indirectly to take the love of God to persons not now enrolled in the church or its programs.

Through Woman's Missionary Union, we become educated in missions. This is done through WMU Tasks: Teach Missions, Engage in Missions, Action and Personal Witnessing, Support Missions, and Interpret and Undergird the work of the Church and Denomination. What better way could we learn what our Denomination believes and teaches than through WMU. We get it first hand. Our missionaries report on what they are doing and how we can best help them do the job all Christians are called to do. In WMU we get involved ourselves in mission action and personal witness on the local level. We have a chance to contribute our money for the mission programs we promote. The time we spend in prayer means so much to us and our missionaries. What a great organization this is for our youth to grow up in, and to have a chance to be obedient to the Great Commission.

Our 1985-1986 emphasis has been "Multiply the Vision." The word vision implies a dream, a goal, a target--something to work for. We have encouraged our churches to increase their enrollment. The potential is there for all of us. We have many folks that are not involved in our mission programs. We have many people in our community and Association that we need to win for Christ. We all need to be a missionary--one who is committed to carrying out the Great Commission.

According to information sent to our Baptist Convention, our enrollment consists of the following: Mission Friends 86, GA's 106, Acteens 83, Baptist Young Women 29, and Baptist Women 313. There is room for improvement when we consider there are 26 churches in our Association.

The WMU Council led the leadership workshop at Troy First in September. This was in preparation for our new church year.

In December there was a "Big" Christmas Shopping Party for the residents of Evans Rest Home in Mt. Gilead. This was sponsored by our GA and Acteen's. Out Baptist Women helped in collecting items for the residents to purchase with their "Play Money". This was a huge success and all got a blessing from having been a part of this activity.

In January we began making plans for our N.C. Centennial in WMU. We had a special program in February and paid tribute to those early leaders of our organization. It was a time of reflection and a time to be challenged to go forward in missions. We concluded with a Birthday Party, celebrating 100 years in missions.

Another missions project was collecting items for Missionary Martha McAlister to use in Tanzania. Our churches were all involved in various projects during the year.

Our Annual Associational WMU meeting was held on April 24, 1986 at Mt. Carmel with our Director Of Missions, Ben Hall, as our guest speaker. We were challenged to go forward with the work.

We are looking forward to working with our new WMU Director, Mrs. Shirley Hall, for another year. The WMU Council is waiting to help you in your church.

BAPTIST CHILDREN'S HOMES REPORT

Four main emphases occurred during this year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by clients in order to regain their ability to function in society.
2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County.
3. Long-Range Planning, which in today's complex world of child care can only extend up to five years, was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are one of only three NAHC accredited child-care institutions in North Carolina.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of the Aging have been both rewarding and exciting.

Charles Goad was named Acting Director Thomasville Family Services Area.

Larry Sawyer was transferred to the Pembroke Family Services Area.

Dr. Michael C. Blackwell is president.

Charles L. Tanner is Director of Church/Community Relations.

Respectfully,
David Boroughs

ANNUITY REPORT
(Marion Parker)

God has said, "Thou shalt not muzzle the mouth of the ox that treadeth out the corn." In 1 Corinthians 9:9 God takes this statement, from Deuteronomy 25:4, about His concern for the ox in the field threshing out grain, and applies it to adequately supporting His work and workers. Obviously, this obligation for adequate support does not end when the worker is old and no longer capable of doing the full load of work.

Our Southern Baptist Convention's retirement program, shared in by the churches and by the State Conventions, is a big step in the right direction. If the churches served by the worker have contributed adequately and generously to our Annuity Board's retirement program, then the retired pastor, or other church worker, will be able to draw a monthly check which when added to social security should provide for the worker's old age.

What is your church doing about this important matter? Is it following God's commands in 1 Corinthians 9? Won't you check carefully and prayerfully into what your church is doing? If you need further information, write the Baptist State Convention of North Carolina, Annuity Department, Box 1107, Cary, North Carolina 27511-1107 or call them at 1-919-467-5100. Or, you may write the Annuity Board of the Southern Baptist Convention, Box 2190, Dallas, Texas 75221-2190 or call toll free 1-800-262-0511.

THE BIBLICAL RECORDER
Report to the Association -- 1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the **Biblical Recorder.**

The state Baptist paper for North Carolina always tries to tell it like it is -- the good, the bad, the victories and the warts -- with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The **Recorder** tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain -- only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the **Recorder** comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the **Recorder** directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

BROTHERHOOD REPORT
(Paul Gordon)

The purpose of the Brotherhood Director is to support the churches of the Montgomery Association in its task of bringing men to God through Jesus Christ by helping churches involve men and boys in missions. This missions purpose is carried out through five basic tasks; engaging in missions activities, to teach missions, prayer for and giving to missions, to develop personal ministry, and interpret and undergrid the work of the church and denomination.

Twenty (20) of our twenty-eight churches in the Association gave a total of $10,944.29 to buy the materials for a Pastor's Home and a school building in Haiti of the West Indies. A total of $14,077.50 was given by twenty-nine (29) churches. This was the third trip supported by the Montgomery Association. The supporting churches were: Bethel, Biscoe First, Blackwood Chapel, Calvary, Candor, Dover, Eagle Springs, Exway, Forks of Little River, Hamer Creek, Holly Mount, Laurel Hill, Liberty Hill, Mt. Carmel, Mt. Gilead First, New Hope, Pleasant Grove, Stoney Fork, Wadeville, and White Crest.

A total of ten (10) men made the trip, nine of the men are from the Montgomery Association: Fred Hare from Dover, Rev. David Boroughs from Eagle Springs; Gene Singleton from Forks of Little River; Paul Gordon, Danny Hinson, Ronnie Lucas and David Wood from Mt. Carmel; Rev. Lonnie Gibson and Jerry Smith from Stoney Fork; Ricky Moran of Hulda Baptist Church, Randolph Assoc. was the tenth man.

North Carolina Baptist men have committed to build the first unit of any mission/church in our state. Basically, N.C. Baptist men will accomplish

this by having Baptist men in the association in which the church is to be constructed, along with Baptist men in adjoining associations working together in a meaningful mission project. There are three being built in our area. The need is during the week and on Saturday, the type of person needed is anyone who is willing to lend a helping hand; skilled carpenters, as well as GOFERS. If you are interested let the Associational Office or the Brotherhood Director know, so arrangements and time can be made for involvement in these new works.

The N.C. Baptist men are supporting the National Missions Prayer Plan. We encourage each church to have a Men's Prayer Group and participate in three ways. First, make a commitment to pray daily for missions. Second, check off days on a calendar to indicate consistency in praying daily. Third, use Southern Baptist periodicals, newspapers, books, newscasts, or other means to discover prayer needs. Our emphasis is "Praying with working Hands" and "Working with Praying Hands."

Rev. Jack Hancox missionary to Haiti made a visit to the Montgomery Association on October 3rd, at the First Baptist Church in Troy. It was a great opportunity for the churches that support the mission work to hear Brother Jack tell of his work in Haiti.

NORTH CAROLINA BAPTIST COLLEGE REPORT
1987

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist Colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations;

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.

2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.

3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses.

4. Most said they learned about the colleges through the Biblical Recorder. The opinion was strong, however (65%) that Baptist students do not receive sufficient information about Baptist colleges through the local church.

5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."

6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

MORE ABOUT NORTH CAROLINA BAPTIST COLLEGES

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bush Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages forBaptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider.

THE TIME: Life after high school is still a time for growing, maturing, learning, and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad based education provides a sound foundation for a person's last job, as well as the first.

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

CHURCH TRAINING

The Church Training Program is responsible for teaching Christian doctrine, Christian history, Christian ethics, and church polity and organizations. Church Training also provides training for new church members, other church members, and church leaders in Christian living and service.

At the present time five churches in the Montgomery Association have ongoing Church Training Programs. Some other churches use short-term training projects to meet specific training needs. All our churches are encouraged to fulfill the mission which God has given them.

During the past year the associational Church Training Program sponsored "M" Night on November 23, 1986. A large attendance from several churches was recorded with Exway church receiving the attendance award. Other activities included the Church Training Director's attendance at the Key Leadership Conference and Enablers Conference. These conferences help us remain well-informed regarding Church Training plans and materials.

It is hoped that the 1987-1988 church year will be one of progress and growth in Church Training for our association.

CHURCH MUSIC REPORT

Church Music involves every aspect of music in the local church as it seeks to minister to its membership and as it seeks to reach out to those around them.

This past year there were 164 children involved in a church music program in our association. There were 182 youth singing in our choirs, 354 adults and 82 pianists, organists, and directors. Local quartets, handbells, and instrumental ensembles gave us a total of 835 persons involved in church music! That is an increase of 74 persons over the previous year.

This past November, 69 music persons participated in an Associational Church Music Workshop. For two nights 14 churches participated with 22 leaders (directors and accompanists), 43 choir members, and 4 faculty. It was a good experience for everyone.

This year we hope to offer the same type of workshop with state leaders to meet the needs of children's choir workers and youth choir workers. This will take place in the spring.

Thank you for the work you do in your churches and for your support of Associational Church Music.

DIRECTOR OF MISSIONS REPORT

It is hard to believe that it has been two years since I first met with your Associational Search Committee looking for a Director of Missions. It has been two years since I was presented to the Annual Session and extended a call to become your first full time Director of Missions. Now as I reflect on this past year, I still feel as I did a year ago that I am where God wants me.

This has been a very busy year for your Director of Missions both from the office work to working with the churches.

Some of the highlights of the year has been as follows.

1. Beginning a ministry among the hispanics in our county along with the sponsorship of the State Convention and First Baptist Biscoe. Although we have not received any financial help from the State Convention we hope to be receiving help from them in the near future. Maurico Vargus has aided us in getting this work started.

At present time, a Sunday School class and worship services are being provided for the Hispanics. We are receiving a good response from them.

2. Another area where we started a new endeavor was a lake resort ministry. Here again with the help of the Baptist State Convention we were able to employ Miss Traci Eaves as a summer worker to go into the developments along Lake Tillery and Badin to do special ministries such as worship services and Back Yard Bible Clubs. Although we did not accomplish as much as we desired, we had a good beginning. There are many homes along the lake which are well populated during the summer where we can have a successful ministry.

3. Another item or work this summer which proved to be successful was the sponsoring a booth at the "Troy Is More" on the 4th of July. Miss Traci

Eaves worked with the youth from several churches to develop a puppet program which was presented during the day for public viewing.

4. Along with the regular work of the association, your Director of Missions helped in two Vacation Bible Schools, preached in one revival, and taught in one January Bible Study.

I believe there is still work to be done, people to be reached and help to be offered to the churches. I cannot be of any help to you UNLESS YOU CALL ON ME. Many churches have called on me, while others fail to do such.

As we draw close to our 100th year, may we search to see if we are pleasing to the Lord in our work, both as churches and as an association.

In two years we will mark our centennial year. Although this is our 99 session, in 1898 there were two sessions, so we are one session ahead of our age.

May God continue to bless us as we seek to serve him here at the foot hills of the Uwharries.

NORTH CAROLINA BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1987

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay moving accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the depart-

ment, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

CONSTITUTION COMMITTEE REPORT

The Constitution Committee of the Montgomery Baptist Association, as instructed by the Association in annual session on Wednesday, October 22, 1986, has reviewed Article 17 of the Constitution which reads as follows:

> "ARTICLE 17. The annual session of the Association shall be held on Tuesday and Wednesday before the fourth Sunday in October at such places as may be chosen. In the first day's program, preference shall be given to an inspirational service. In the second day's program the reports of the Executive Committee, the Clerk-Treasurer, election of officers, state-wide objects, and the association work in general shall have preference."

The Constitution Committee reports its findings as follows: We believe that the Constitution should be kept as simple as possible; otherwise we tie the hands of the association. We also believe that the word "preference" (used twice in Article 17) takes care of our needs, yet does not limit us to the items mentioned. Some items other than inspirational matters are necessary on the first day, and obviously, we need to include inspiration also on the second day. We believe we can trust our program committee to use wisdom in planning a program with a proper and practical balance each year. Therefore, we do not recommend any change in the wording of Article 17.

WOMANS MISSIONARY UNION REPORT
Shirley Hall, Director

The associational Womans Missionary Union exists to assist the churches in the association to do WMU work and to work together in joint mission ventures. The association work of the WMU is carried out by a WMU council.

In February twenty WMU organizations were involved in collecting personal items for the Montgomery Correctional Unit in Troy. The items in the care packages included: soap, hair brush, tooth paste, shampoo, hand lotion, comb, socks, razors, and Gospel of John. One hundred fourteen care packages were provided for the inmates.

A WMU was reorganized at Eagle Springs Baptist Church in March. We now have twenty-one WMU organizations.

Sandra Tedder and Jo Haywood led the acteens in their associational Mission-Lock In at Troy First in April.

The theme for the associational WMU Annual Meeting held in April at Eagle Springs Baptist Church was "Gifted to Serve Called to Act." Miss Suthell Walker former Baptist Women Director of NC State WMU was the key speaker. Eighty people, including several of the pastors in the association, were present.

In May Joann Greene, BW director led the associational BW in a Prayer Retreat at Caraway. Thirty-nine women were present for this event.

Again, our WMU organizations helped in sponsoring the "Troy is More" booth in July. Six hundred cups of lemonade and many tracts were given away as people came by the booth. Several youth led by Traci Eaves performed in two puppet shows located by the booth.

In August the Associational WMU Council attended the State WMU leadership training workshop at Caraway.

Forty women gathered at Troy First on August 29th for a breakfast and seminar. Carla Rutledge and Shirley Hall led the women in discovering their spiritual gifts. The book, "Yours For The Giving: Spiritual Gifts" by Barbara Joiner, was used in our study.

As you see this has been an exciting year for our associational WMU. May we press forward in 1988 to teach and support missions in all of our churches.

In our report to the N.C. State WMU Office (for 1986-1987) our enrollment consisted of the following: Mission Friends ; 63; GA's - 97; Acteens - 56; Baptist Young Women - 25; Baptist Women - 368.

We had enrollment of 609 women, girls and children involved in missions. There is still room for improvement when we consider there are 28 churches in our association.

SUNDAY SCHOOL REPORT
1986-1987
W. Dale Robertson
Director

This was a great year for Sunday School in our association. The highlight of the activities was a Growth Conference held in February at First, Troy. This was an area wide event. Specialists from the Convention staff in Cary, and from across the state were leaders. People from several neighboring association attended. The crowd was larger than anyone expected. Over 300 conferences learned how they could better win the lost to Christ through effective outreach and Bible teaching in the local church. The great news is that over 150 came in from our own association. These totals are records for training events in our association. This response shows that many Christians are serious about becoming better witnesses, and Bible teachers. With this kind of dedication the future of Sunday School work looks bright.

The average weekly attendance in Bible Study on Sunday Morning in our churches in 1985 was 1,805. Last year the average weekly attendance was 1,803. We are holding our own, but we are not growing. Baptisms were up from 79 in 1985 to 85 in 1986. Certainly good Bible teaching played a part in this increase. It is hoped that when all the reports are in for this year there will be increases in attendance and baptisms. Quality is the most important thing when we think about our Christian lives before God. Still quantity is important when we think about the masses of people around us who are dying without a Savior. There are over 24,000 people in Montgomery County. The majority do not claim a church affiliation. This means they are lost, in all probability. Our Lord commanded us to "go...teach...make disciples." This is the mandate of the Sunday School movement.

To this end your Director is seeking volunteers to serve on an ASSIST team. This will be a group of trained workers who will be available to "assist" local churches in their efforts to reach people for Bible study. We hope to have a team in place this year.

We are starting off the new year with another Growth Conference sponsored by First, Mt. Gilead, on October 24th. The material taught in this event will supplement the information given in February. Anyone who desires resource help in building a better Sunday School program in their church is encouraged to call your Director. Let's pray and work together for better Sunday Schools this year.

REPORT OF THE RESOLUTION COMMITTEE
(John O. Wilson)

Whereas, God has richly blessed our churches and our Association during this past year, and

Whereas, in this Ninety-Ninth Annual session of Montgomery Baptist Association meeting at Exway Baptist Church, (Exway on October 20th, 1987 and First Baptist Church, Troy on October 21st, 1987). We have seen growth and spiritual unity prevail; Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Lonnie Gibson for his able and dedicated service as our moderator and to Betsy Crisco for her faithfulness as our clerk;
3. That we express our appreciation to Rev. Ben Hall for his leadership as our Associational Director of Missions;
4. That we express our appreciation to Exway Baptist Church, and First Baptist Church, Troy, for the gracious manner in which they hosted the association, and for all the churches that provided the delicious meals;
4. That we encourage all our churches to share in the Ministry of our Lord through the association as we near our one hundred years of service as an association.

Brotherhood Report

(Paul Gordon)

The purpose of the Brotherhood Director is to support the churches of the Montgomery Association in its task of bringing men to God through Jesus Christ by helping churches involve men and boys in missions. This mission purpose is carried out through five basic tasks; engaging in missions activities to teach missions, prayer for and giving to missions, to develop personal ministry and interpret and undergird the work of the church and denomination.

Eight of our churches in the Association gave a total of $1,580.56 to purchase two new washing machines, and to help remodel the camp kitchen at *Cameron Boys Camp*, of the North Carolina Baptist Children's Homes. The supporting churches were: Candor, Dover, Forks of Little River, Holly Mount, Mt. Carmel, Mt. Gilead First, Stoney Fork, and Valley View. (The WMU Prayer Group of Mt. Carmel gave $201.95 to purchase 40 Bibles for the boys.)

Our Association supported the *Bibles for Russia Drive*. At $5.00 per Bible, eight of our churches gave $1,150 to purchase 230 Bibles. They were delivered to Russia in April of 1988. The supporting churches were: Blackwood Chapel, Exway, Forks of Little River, Liberty Hill, Mt. Carmel, Pleasant Grove, Stoney Fork, and Wadeville.

Our Association has accepted the challenge to perform the maintenance on the "Huffman Cottage" of the North Carolina Baptist Chirldren's Homes at Thomasville. It was built in 1940 and is a two-story brick building that houses 12 teenage girls. At the present time we have painted three of the five rooms upstairs. There are also three baths upstairs that need painting, plus work on the downstairs and the outside. This will be a continuing project for the upcoming year. We need the Baptist Men and the WMU to support this worthwhile project.

There will be an Associational Brotherhood Leadership Conference on November 3, 7:00 p.m. at First Baptist, Troy. All Brotherhood Leaders, and RA Leaders are encouraged to be in attendance for this meeting.

Church Music Report

(Mark Hill)

Church Music involves every aspect of music in the local church as it seeks to minister to its membership and as it seeks to reach out to those persons who do not know God's love.

This past year there were 162 children involved in local church children's choirs. There were, however, only 123 youth singing in local youth choirs this year. This figure is down by 59 young people from last year's report. Our adult choirs increased enrollment to 363 and there were 44 persons involved in handbells and ensembles, both vocal and instrumental. We also have 83 persons directing choirs and serving as organist and pianist. Overall we have 775 persons involved in church music, but we have lost 59 young persons somewhere along the way.

This year let us strive to do our best and to increase our participation in the life of our various church music programs. Thank you for the work that you have done this year in your churches and for your support of Associational Church Music.

Annuity Board Report

(Marion Parker)

God says in I Corinthians 9:13-14, "Do ye not know that they which minister about holy things live of the things of the temple? and they which wait at the altar are partakers with the altar? Even so (the Greek word means 'in exactly the same way') hath the Lord ordained that they which preach the gospel should live of the gospel."

We believe that our responsibility for the care of those who devote their lives to the service of God continues after their retirement, both ministers (and other staff members) and their wives. That is what our Baptist Annuity Board is all about. If your church pays into the Annuity Board's retirement program each month, then the worker upon his/her retirement, or the spouse in case of the worker's death, will be able to draw a monthly check, which added to social security benefits, should provide for the worker and spouse in their old age.

Will you check carefully and prayerfully into what your church is doing about this very important matter? For further information, write the Baptist State Convention, Annuity Department, Box 1107, Cary, North Carolina 27511-1107 or, you may call them at 1-467-5100; or, the Annuity Board of the Southern Baptist Convention, Box 2190, Dallas, Texas 75221-2190 or, call them toll free at 1-800-262-0511.

Evangelism Report

(Tom Teems)

In October 1987, several Pastors went to Asheboro for the Regional Evangelism Conference. We were informed of new materials, and updates in our Convention. Also, we learned new ideas and approaches to evangelism.

On May 29, we held our Evangelism Rally at First Baptist Church, Troy. Several churches were in attendance. Our guest speaker was Dr. J.W. Hutchens of the Evangelism Department, Baptist State Convention. We were blessed by his message and also challenged by the Word of God.

Our upcoming year is a challenging one. It is the year of the Laity. Hopefully, we can enlist and train some laypeople to share Christ on a one to one basis.

In the Spring of 1990, we will have our Simultaneous Revivals. *Here's Hope: Jesus Cares for You.* The dates for our area are April 1st through 8th. We need to plan and secure our speakers now for this special event in our churches.

Constitution Committee Report

(Marion Parker, Branson Haywood, Phillip Hutchinson)

To bring the Constitution of the Montgomery Baptist Association up to date to provide for the office of Clerk-Treasurer to be made into two separate offices, we recommend the following changes in wording:

ARTICLE 10 (on page 7 of the current minutes). "The officers of the association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Historian, and Parliamentarian,. . . ." (The rest of the wording to remain as now printed.)

ARTICLE 12 (on page 7 of the current minutes). "(1) It shall be the duty of the Clerk to record the proceedings of all sessions of the Association (including Executive Committee meetings); and, in cooperation with the Director of Missions to direct the print-

ing and distribution of the annual minutes among the churches. (2) It shall be the duty of the Treasurer to receive all funds sent up by the churches or collected during the sessions of the Association, and to distribute the same as ordered by the Association. He/she shall make reports to the Executive Committee and a complete annual report to the Association in session.

ARTICLE 17 (on page 8 of the current minutes). "....In the second day's program the reports of the Executive Committee, the Clerk, the Treasurer; election of officers; state-wide objects; and the work of the Association in general shall have preference.

Resolutions Committee Report

(John O. Wilson)

Whereas, God has richly blessed our Churches and our Association during the past year, and

Whereas, in this One Hundredth Annual session of Montgomery Baptist Association meeting at First Baptist Church, (Star on October 18, 1988, and First Baptist Church, Mt. Gilead on October 19, 1988), we have seen growth and spiritual unity prevail; Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Lonnie Gibson for his able and dedicated service as our moderator and to Betsy Crisco for her faithfulness as our clerk;
3. That we express our appreciation to Rev. Ben Hall for his leadership as our Associational Director of Missions;
4. That we express our appreciation to First Baptist Church, Star, and First Baptist Church , Mt. Gilead, for the gracious manner in which they hosted the association, and for all the churches that provided the delicious meals;
5. That we encourage all our churches to share in the Ministry of our Lord through the association as we prepare to celebrate our Centennial as Montgomery Baptist Association.

Director of Missions Report

What can we say for our year 1987-1988? It has been a very busy year in many ways. We have seen some old ministries continue to grow as with the Hispanic Ministry through First Baptist Biscoe.

A new area has been the clothing closet. Almost every day we have people coming in for clothing. As of this writing we have served 377 with clothing. As the cool weather comes, more will be coming in for winter clothing.

We continue to receive money from the Home Mission Board for hunger. We have helped over 40 families with food as well as clothing. Needs continue to exist here in Montgomery County.

Another new adventure this summer was a Spanish Vacation Bible School. This was held at Biscoe First along with their ministry. Forty-six Mexican children were enrolled. Of this number, very few spoke English. This was sponsored with money which came from the State Convention for migrant ministry. The children were taught in Spanish. Along with the Bible study, recreation, we were able to provide lunch for them each day.

Another thing which we need to be aware of is our 100th year. This marks the end of 99 years as an association. Plans are being made to have special events during the year to

highlight our anniversary celebration.

One hundred years and still counting and growing for the work of the Kingdom. May our second century be as productive as this one. May we continue as churches in the Montgomery Association as laborers together.

Woman's Missionary Union Report

(Shirley Hall, Director)

The Watchword for the year, 1987-88, "Remember your leader, those who spoke to you the Word of God; consider the outcome of their life and imitate their faith. Jesus Christ is the same yesterday and today and forever." (Hebrews 13:7-8 RSV)

In October the Associational WMU sponsored Christmas in October. Through this event over 400 gifts were collected for the patients in the Montgomery rest homes and nursing care units.

Carolyn Plowman was in charge of the Baptist Women's World Day of Prayer at Troy, First in November. Twenty-three Baptist Women were present.

The GAs in the Association had a Get-together at Wadeville Baptist Church on November 15th. This event was led by Dot Parnell, Associational GA Director. Carla Rutledge shared with the 35 girls present, about her volunteer work in Tanzania. She worked with Martha McAlister, our foreign missionary from Biscoe.

On December 5th the Acteens, dressed as Christmas elves, helped deliver the Christmas in October gifts to 232 residents. The Acteens and their leaders, Sandra Tedder and Jo Haywood, visited four nursing homes and six family care units.

Thirty-one women gathered at Troy, First, on March 29th for a study on the History of WMU. Nancy Curtis, Executive Director of North Carolina State WMU, led in this study.

The WMU of Montgomery Baptists joined with other women throughout the Southern Baptist Convention in celebrating the Centennial of WMU in SBC. The anniversary date was May 15. During the Associational WMU Annual meeting in April at Troy, First Baptist, 70 people came together to celebrate the Centennial of WMU, SBC. The theme was *A Century to Celebrate - A Future to Fulfill.* Mrs. Patricia Frazier from Greensboro, presented a monologue on the life of Annie Armstrong. Wadeville Baptist WMU was recognized as being the only WMU to send their annual report in to the Association minutes every year since 1907.

On May 21st, Jo Ann Greene, BW Director, led the Association BW Prayer Retreat at Camp Mundo Vista. Martha Frank, a well-known prayer leader for SBC WMU, was the special speaker.

One hundred fifteen care packages were distributed to the Montgomery Prison Unit in May. All the items were collected by our 21 WMU organizations.

The Montgomery WMU Council has achieved the Standard level for the year 1987-88 in compliance with the requirements of the Associational achievement guide.

Baptist Foundation Report

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know." Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desire to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust docu-

ment is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions.

Church Training

(Raleigh Castelloe)

The Church Training Program provides a ministry of Christian training for all age groups. Preschoolers and Children receive instruction and participate in experiences designed to help them eventually make their commitment to Christ. Older Children, Youth, and Adults study and work to make Christian truth a part of life. Therefore, every church needs a Church Training Program.

The associational Church Training Program seeks to help churches within the association establish programs. Once a church has a Church Training Program in place, the Association can help with worker training, formulation of future plans, and assistance with problems which arise. Churches are encouraged to seek these types of assistance.

During the past year the associational Church Training Program sponsored "M" Night at the First Baptist Church of Biscoe on November 30, 1987. The Reverend Richard Spencer, Director of Missions in the Gaston Baptist Association, was the speaker for this occasion. The associational Church Training Director attended the Key Leadership Conference at Ridgecrest in order to be aware of developments in Church Training work.

The 1988-89 church year will provide many excellent opportunities for growth and development in Christian living. It is hoped that more of our church members will take advantage of these.

Baptist Retirement Homes of North Carolina, Inc.

The Baptist Retirement Homes of North Carolina, Inc. began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian Context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believes this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives.

The Hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in all locations, in all services. The Homes takes seriously its responsibility to make its residential opportunities available to Older Adults across the State and to be continually responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the State: Ashville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A Multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

Older Adults have differing needs, and the level of care for a single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

North Carolina Bapist College Report - 1988
Council on Christian Higher Education

WHAT IS A BAPTIST COLLEGE?

First, Baptist colleges are *colleges*, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1,300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word *Baptist* tells what kind of college they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist Colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by North Carolina Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The Goal: Church Related Colleges and College Related Churches.

North Carolina Baptist Hospital Report

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs. . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than 17 years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hosptial received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Evangelism Report 1988
Division of Evangelism
Baptist State Convention of North Carolina

God continues to bless North Carolina Baptists through Evangelism. Plans are continuing to assist our churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

Many churches are still getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evengelism.

The 42nd Statewide Evangelism Conference was held in Greensboro Coliseum February 8-9. Dr. Landrum, Rev. Ron Dunn, Rev. Manuel Scott, Rev. Junior Hill, Dr. Charles Page, and Rev. Herman Rios brought the messages. Jo Ann Shelton and Loeen Bushman led the music for the conference assisted by Pat Long and Rick Setzer.

The 1989 Evangelism Conference will be held February 6-7 at Greensboro Coliseum. Dr. John Sullivan, Dr. Frederick Sampson, Dr. Jimmy Draper, Dr. Frank Pollard, and Dr. Geroge Worrell will be the speakers. Dr. Dick Baker will be leading the music.

Super Summer '88 was held in July at Friendly Avenue Baptist Church, Greensboro with the crusade on Friday night at Greensboro Coliseum. Approximately 5,500 attended the crusade with 800 making commitments during the commitment service. Two Youth Evangelism Weeks were held at our North Carolina Baptist Assembly, Caswell, with 1,700 in attendance. Four hundred seventy youth made commitments during these weeks.

Again, this year the Student Evangelism Team "WITNESS" served in churches all across North Carolina. Everywhere they ministered, people were blessed. The North Carolina Baptist Children's Homes continue to help in supporting the ministry of "WITNESS."

Fifteen regional evangelism conferences will be held across the state in October to inform and educate leadership about coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served.

Our annual Mountain Evangelism Conference and our Eastern North Carolina Evangelism Workshop again met the needs of these specialized areas of ministry.

Plans are now being made for another simultaneous revival effort called "Here's Hope: Jesus Cares For You." North Carolina dates are Eastern - March 18-25, 1990; Piedmont - April 1-8, 1990; and Western - April 22-29, 1990.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to rise each year.

J.W. Hutchens, Director

Christian Action League of North Carolina, Inc. Report

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING: The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for state-wide office in North Carolina that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the North Carolina General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING: Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got by-passed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION: The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in North Carolina have been met with legislative "footdragging." A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, North Carolina remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest or rape, has been rejected repeatedly.

TOPLESS DANCERS: There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the drink has been enacted in North Carolina, we have some bars and taverns near military installations that have been employing *minor* girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our North Carolina Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks blight for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."

Coy C. Privette, Executive Director

North Carolina Baptist Children's Homes Report

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes and Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

UPDATE FROM THE THOMASVILLE FAMILY SERVICES AREA:

The Mills Home Campus has enjoyed a year of high usage by the families and children whom we serve.

We have been able to offer a Transition Class on our campus for children coming into care. The Transition Class is staffed by Thomasville City School System personnel. The class gives a child an opportunity to adjust to being away from home and in new surroundings. We have enjoyed much church participation on our campus. All of our cottages have developed close relationships with Sunday Schools, WMUs RAs and other groups. Many of our cottages have visited in churches in our area.

There was a great deal of involvement during the Christmas Season by church groups who sponsor the parties or other activities for our children. For this we are grateful.

Another involvement that has been welcomed by us has been work groups assisting us in repairs to our facilities. We look forward to future relationships around work projects on our campus.

Our campus church has called Charles Penley as pastor. Rev. Penley expresses great enthusiasm and love for this ministry. He is offering our children new approaches to learning about Christ and the church. Rev. Penley is also reaching out to minister to the needs of our adult staff. His arrival on our campus adds greatly to our ministry to families and children.

The Biblical Recorder

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well-informed, which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than to read and think, but we must be informed and involved in the work of the Lord as Baptists do it...if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs, it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

Sunday School Board Report

With 17 programs of work assigned to the Sunday School Board by the Southern Baptist Convention, it would be easy to see the heart of the church programs and publishing board's work as PROGRAMS. However, President Lloyd Elder told messengers to the 131st meeting of the Southern Baptist Convention in San Antonio, Texas, that PEOPLE must always be the focus of all the Board does through its programs.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people," said Elder. "Scriptures must be made available at the lowest possible cost for our Southern Baptist people to share with others who need to hear and respond to the Gospel message. And we must make it as easy as possible for people to obtain literature and other products."

Effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. The advantages of this process are toll-free ordering and reduced response time to the customer. Also, churches may order literature via computer with the EASY Church Order System. Churches using this system either with their own computer or those in Baptist Book Stores may receive a five percent discount on their church literature orders.

To illustrate the scope of the work of the Sunday School Board, a total of 208,514 telephone and mail orders and inquiries were received during the first six months of 1987-88.

A major new product to meet the needs of people is the *Disciple's Study Bible* released in June 1988 by the Holman Division in cooperation with the Church Training Department. Study helps focus on 27 great doctrines of Southern Baptists.

Also, for the second consecutive year, the Board provided free to messengers attending the Southern Baptist Convention copies of New Testaments to use in witnessing to people they encountered in San Antonio.

Increasing the evangelistic focus of Southern Baptist Sunday Schools is a continuing focus of the Board's Sunday School Division. By October 1988 the plan of salvation will be included each quarter in all Sunday School lesson periodicals, Sunday School leadership and devotional magazines and Vacation Bible School materials.

Work has begun through the Church Music Department on production of a new Southern Baptist hymnal to be released in 1991.

A reorganization of the Church Administration Department was completed to give increased leadership and support for church growth.

Approximately 6,500 Southern Baptist single adults attended a national convention Memorial Day weekend in Nashville sponsored by the Family Ministry Department.

Writers are being enlisted for a new 40-volume Bible commentary to be published by the Broadman Division with the first volume expected to be released in 1991.

A total of 145 college students and campus ministers participated in a USA-Brazil global missions project in January 1988, a cooperative effort of the Board's Student Ministry Department, the Foreign Mission Board and the Brazilian Baptist Home Mission Board.

"Through our programs for people, we emphasize the nurturing of life through the study of God's Word, we seek to motivate and support the task of reaching people, and we challenge pastors, church staff members and volunteer leaders to see themselves as God's servants in the ministry of changing lives," said Elder.

American Bible Society Report

The longstanding and fruitful partnership between the Southern Baptist Convention and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987.

Your support has been of key importance in the success of the many projects undertaken in 1987 in the ongoing task of meeting the Scripture needs of the world - whether through expanded distribution in areas where the availability of God's Word is critically low, or through innovative channels of Scripture production, or through new translations of the Scriptures.

SCRIPTURE DISTRIBUTION: As part of the global network of the United Bible Societies, the American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of

Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4.0 percent over 1986, and continues the upward trend of the past few years. Of this total, 116,155,119 copies were distributed in the United States, an increase of 15.6 percent over last year's total.

SCRIPTURE PRODUCTION: One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order of 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January. A ceremony marking the official opening of the plant was held on December 5. This is an answer to prayers of many years that a way would be found to share resources with Christians in China so they could meet their Scripture needs.

SCRIPTURE TRANSLATION: In 1987 complete Bibles were published for the first time in the Ayacucho Quechua language of Peru, the language of Tuvalu, an island nation in the South Pacific, and in Karo Batak, one of the several dialects spoken on the Indonesian island of Sumatra. There were also many first-ever publications of Testaments and individual Biblical books. Ongoing Scripture translation projects are proceeding in an additional 573 languages.

Behind the successful completion of each Scripture translation and distribution project is the story of people reached with the Word of God. As new populations are reached, new demands are placed on the resources of the American Bible Society. Tragically, there are times when these resources are completely overtaxed. The Society's unswerving goal is to meet all the Scripture needs that are presented to it. But we cannot do that alone. That is why we must turn for help to our partners in mission, among whom the Southern Baptist Convention ranks above every other denomination in terms of the financial assistance it renders to the Society. In 1987 the churches of the Southern Baptist Convention contributed $224,073 to the American Bible Society in support of the worldwide Bible cause.

It is truly encouraging to see your fine reponse to the urgent need for Scriptures that exists in so many countries at this time. Although much more is needed, your support has made a vital and invaluable contribution to the ongoing challenge of opening God's Word for all.

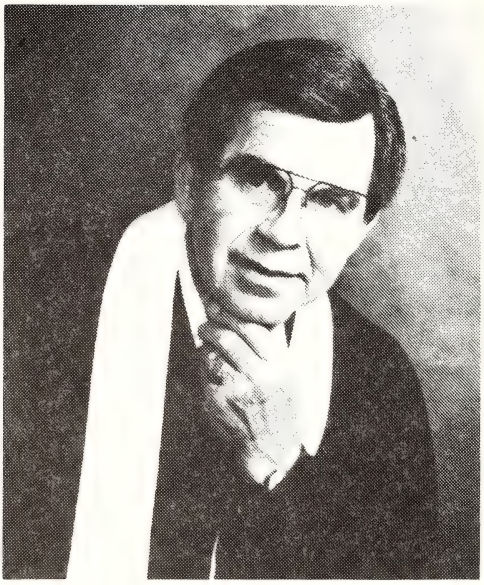
Dedication



Rev. James U. Williams was born in the Lovejoy community near Troy on July 14, 1924. He attended Montgomery County Public Schools and was graduated from Troy High School in May 1942. Then he served in the United States Army from 1942 until 1945. While in the Army he was awarded the Combat Infantry Badge, The Purple Heart with two oak leaf clusters, and the Bronze Star. After military service, James married Colleen Hannah on July 13, 1946. He worked as a funeral director for Troy Funeral Home and also as a salesman for Troy Furniture Company from 1946 until 1962. In 1958 he was licensed to the ministry by Laurel Hill Baptist Church and served as interim pastor of Laurel Hill, Mt. Carmel and Eldorado Baptist Churches from 1960-62. In September 1962, he was ordained by the Laurel Hill Baptist Church. In that same year he began serving as pastor of Unity Grove Baptist Church in Sandhills Association. In December 1965, James was called as pastor of Calvary Baptist Church where he served until retirement on September 30, 1988. During his service at Calvary, James attended Wingate College and UNC-Chapel Hill. He obtained his teacher's certificate in the North Carolina Public Schools and taught in the Montgomery County Schools. For all his service to Christ, to Montgomery Baptist Association, and to the people of Montgomery County, we gratefully dedicate this associational annual in his honor.

Stewardship Report

(Curtis Blake)

Thank you, Montgomery Baptist Association Churches for your giving this past year to the Association. Although we have not come to the point where our Association is self-supporting, we have made progress toward that end. Our giving from the churches was up, but we are still short of the goal of seeing all our churches giving four percent to our Association work. If we could reach that goal, we would have no problems in doing all the work our Association would like to accomplish. When churches work together to accomplish their goals, they must always see the need of giving their money to meet their goals. One sign of a healthy church is they see themselves as doing something about world missions. I believe giving to our associational work plays a vital part in reaching people for Christ. We know that "God loves a cheerful giver." Will your church be part of the growing number that will give more to our Association this coming year? My prayer is that you will give with a cheerful heart.

Director of Missions Report

(Ben Hall)

As an Association, we are pressing forward. The year 1988-1989 has been a fruitful and busy year for your DOM.

As we look back, we saw an increase in the financial support of $8,226.11 over the previous year. Many of the churches have increased the percentage of giving. Already, there are those which have increased their giving to five percent of the undesignated gifts.

One of the highlights of the year was the World Missions Conference held in April. We had 13 churches involved. A great team of missionaries was with us. We received much information and mission concerns and needs as well as learning of our work around the world.

As we press forward into our 101st year, and begin the nineties, we still have only begun to touch the surface of the work to be done in our area. We voted in 1988 to enter into a time of strategy planning. This we will seek to do *this year*. But, if this is to be done, we will need your help. An in-depth look will be taken at the Association, and the work we need to be doing. From this will come a five-year plan of suggested work.

Let us press forward into this new year, setting new goals and seeking to become more involved as churches and individuals with the work of the Association.

Sunday School Report

(Kenneth Warner)

It is my heartfelt and time-proven concern that Sunday School is THE PLACE for church growth. In our state, our churches are on a slight decline in Sunday School attendance and enrollment while the population continues to grow in North Carolina.

In the year before us, our theme is "Share Hope-Reach 10." In order to do this, we must tie in to the *five key objectives* of our State Sunday School Department:

1. Call churches to be on mission by reaching persons for Bible Study, teaching Biblical truths, witnessing to persons about Christ and leading persons into church membership, interpreting the work of the church and denomination, and establishing new work.

2. Provide resources and services to church leaders.
3. Train, develop, and encourage church leaders.
4. Provide opportunities for churches to work together in missions, ministry, growth, evangelism, and worship.
5. Establish and maintain appropriate communications and relationships with churches, associations and the denomination. The Associational Sunday School Department has been and will continue to be a strong partner in promoting and working toward convention-wide goals of:
   . Increased Sunday School enrollment in every church!
   . More churches sponsoring Outreach Bible Study groups!
   . More and more members and workers prepared for evangelistic teaching, witness and ministry!
   . More new Sunday Schools started with special emphasis on more ethnic Sunday Schools!
   . More churches providing weekly, or at least regular, workers' meetings!
   . More and more workers involved in training and earning Sunday School Leadership Diplomas!

I look eagerly to serving you and assisting you in Sunday School work and growth in our Association!

Church Training/Discipleship Training

(Virginia Blake)

In the past year, there were some changes made in Church Training. The most prominant one being the name change to Discipleship Training.

We are commissioned to make disciples (Matthew 28:19-20) and that is the intent of the Discipleship Training Program. The Associational leaders are anxious to help the churches in starting a program and assisting in any way where needed.

Things are happening and new materials are being published to help grow in faith and work.

Our hope is that more churches will see the need of a Discipleship Training Program and will take advantage of the help available for Christian growth. Think about it! Are we doing good things at the expense of the best? We can never stay where we are and go with God at the same time.

Annuity Report

(P.M. Hutchinson)

Scripture I Corinthians 9:13-14 and I Timothy 5:17-18

God's word teaches that those who minister in His work are worthy of their reward. Many people neglect to provide for themselves when they will no longer be able to work. Many things call for our limited financial support and our desire for things are numerous. Many people would face more hardships if our leaders of government had not wisely forced us to consider our old age by our Social Security Program.

Our Annuity Board offers us a worthy program to help us care for those who devote their life in His service. This program challenges us to cooperate; the minister, the church, our State Convention, and our Convention to provide for our workers in their old age.

Please give this matter serious consideration, and if you need help contact our NC Annuity Department, Box 1107, Cary, NC 27511-1107 or call them at 1-919-467-5100.

Evangelism Report

(Tom Teems)

In October 1988, some of our pastors attended the regional Evangelism Conference at Caraway Conference Center in Asheboro. We were presented with materials and plans for "HERE'S HOPE" revivals in the spring of 1990.

In May 1989, we held our Associational Evangelism Conference at First Baptist Church, Troy. Our guest speaker was Greg Mathis, Pastor of Mud Creek Baptist Church, Hendersonville, NC. Greg is also the Evangelism Professor at Fruitland Baptist Bible Institute in Hendersonville. The title of his message was, "What We Owe Montgomery County".

Our "Here's Hope" revivals are coming in April 1-8, 1990. We encourage every church to be involved. May God bless our churches as we work together in Evangelism.

Church Music Report

(Mark Hill)

Church Music involves every aspect of music in the local church as it seeks to minister to its membership and as it seeks to reach out to those persons who do not know God's love.

This past year there were 139 children enrolled in our children's choirs. That figure is down 23 from the previous year's total. Youth choirs totaled 114 members, with our adult choirs increasing their enrollment by 15 for a total of 378 adults. This past year there were 84 persons involved in handbells and vocal and instrumental ensembles. There were 82 persons serving as choir directors, organists, and pianists. Overall our total music enrollment was 797 persons.

This year let us strive to do our best and to increase our participation in the life of our various church music programs. Thank you for the work that you have done this year in your churches and for your support of associational church music.

Woman's Missionary Union Report

(Shirley Hall)

During 1988-1989, we joined the hearts of all members of Woman's Missionary Union to launch the second century in mission education. . our theme: A Future to Fulfill. . . Launching Century 2.

Carolyn Plowman was in charge of the Baptist World Day of Prayer held at Troy, First, in November.

In December, the Associational WMU sponsored a "Christmas Pounding". Canned goods were received from twenty-one of our WMUs. Because of this special mission project, twenty four families in Montgomery County were touched with the Christmas spirit.

Another mission project brightened up some of our senior adults' lives in the Skill Nursing Unit of the Montgomery Memorial Hospital. The Baptist Women provided funds to buy three wheelchairs.

The Associational WMU Annual meeting was held at the First Baptist Church of Mt. Gilead on April 20. Mrs. Anne Carter of Greensboro spoke on Personal Witnessing. There were fifty-two present from eleven of our churches.

On May 19, at Candor Baptist Church, Susan Warner, BW Director, led the Associational Baptist Women in their Annual retreat. Norma Brown of Greensboro spoke on "Patterns for Living". There were over sixty women present.

In September, several of the Baptist Women organizations volunteered their help for one morning a month in the Associational Clothing Closet. This has been a great help in ministering to the needs of the people in Montgomery County.

The Annual Associational WMU Leadership Training was held at First Baptist Church, Troy, on September 28. This training led by the WMU Council prepared the WMU leaders for the 1989-1990 year in their churches.

For the fifth year, the Montgomery Baptist Associational WMU Council has received a Certificate of Recognition from the State WMU for their outstanding work.

Credentials Committee

On September 17, 1989, an Associational Committee composed of Raleigh Castelloe, Wayne Dunn, Ben Hall and Gary McNeill met with members of Grace Memorial Church to discuss the possibilities of their being members of the Montgomery Baptist Association.

Subsequently, the request to join the Association was received. On that basis it is recommended that Grace Memorial Church be received under the WatchCare of the Association for one year, during which time the Credentials Committee will work with the church to prepare for full membership in the Association.

Signed,
Raleigh Castelloe, Moderator

3. That we express our appreciation to Rev. Ben Hall for his leadership as our Associational Director of Missions;
4. That we express our appreciation to Bethel Baptist Church, Mt. Gilead, and Forks of Little River, Troy, for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;
5. That we express appreciation to those who have faithfully served in our Clothing Closet and Food Ministry;
6. That we encourage all our churches to continue to share in the Ministry of our Lord through the Association;
7. That we encourage our churches to be aware of opportunities to minister to the newcomers in our community;
8. That we encourage our churches to take advantage of the opportunities for training in the Association and in the state.

Brotherhood Report

(Paul Gordon)

The purpose of the Brotherhood Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions. This mission purpose is carried out by engaging in mission activities to teach missions, prayer for and giving to missions, to develop personal ministry and interpret and undergird the work of the church and denomination.

Eight (8) individuals in our Association worked at the Baptist Children's Home in Thomasville on Huffman cottage. The upstairs dormitory was painted and the dining room wallpapered. The individuals involved were Rev. Lonnie Gibson of Stoney Fork, Gene Singleton and Jerry Parks of Forks of Little River, Fred Hare and Pop Floyd of Dover, Paul and Becky Gordon of Mount Carmel. Five (5) individuals were on a mission trip to Conrad, Montana, to help build a mission church, 45 feet wide and 130 feet long. The men involved were: Gene Singleton of Forks of Little River, Fred Hare and Winford Davis of Dover, Ronnie Lucas and Paul Gordon of Mt. Carmel.

We encourage more men and all of our churches to support and become involved in mission support as the opportunity arises.

1989 Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and A T & T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

The Biblical Recorder

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to made decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. 1988-1989 Brotherhood Commission Report

Brotherhood Expansion Continues.

The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys in missions.

In October 1988, James H. Smith, Brotherhood Commission president, presented a plan of financial austerity following the production of 31 new books in 1987 and 1988. The production costs had drained the agency's reserves. Smith set a goal of earning $240,000 over expenses in 1988-1989. At the April trustees' meeting, Smith reported that income was already $177,000 ahead of expenses.

Located in Memphis, Tennessee, the Brotherhood Commission is pioneering several new aspects of missions education. In May, the first RA University, an in-depth national training event for Royal Ambassador counselors, directors, and committeemen, was held at Rhodes College in Memphis. More than 300 people from across the country attended.

The National Fellowship of Baptist Men, a ministry of the Brotherhood Commission's adult division, continued its expansion of volunteer missions enlistment. In April, NFBM announced the expansion of its concert series, which will endorse up to 200 concert artists to present the story of Southern Baptist missions and recruit volunteers.

The second annual High School Baptist Young Men's Rallies were in Gatlinburg, Tennessee and Arlington, Texas, with more than 500 attending. High School Baptist Young Men were also represented on the second National Baptist Young Men's Overseas Work Project in Chile during Christmas break. Seven Baptist Young Men from the United States and Canada participated.

Baptist Men served more than 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica, Baptist Men worked jointly with the Foreigh Mission Board to rebuild churches. More than 700 volunteers participated in this nine-month project.

World Missions Conferences were attended by 1.15 million people; 374 volunteered for missions service and 395 made professions of faith. WMCs are administered by the Brotherhood Commission and sponsored by the Home and Foreign Mission Boards, Woman's Missionary Union, and Brotherhood Commission.

Perhaps the greatest effect of the Brotherhood Commission felt by the churches of the Southern Baptist Convention has again been the regular activities of Baptist Men and Royal Ambassadors. Through church and associational Brotherhoods men and boys have been involved in missions by actually doing missions activities, learning about missions, praying and giving to missions, and developing their own personal ministries. These actions have helped churches maintain integrity as God's people for God's world and have helped believing men grow in relationship to Christ.

Baptist Retirement Homes of North Carolina, Inc.

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for the "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yancyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

. To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.

. To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).

. To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

Christian Action League of North Carolina, Inc. 1989

When the 1989 session of the General Assembly of North Carolina convened on January 11th, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a state-wide lottery was stronger this time around due to two factors: 1. Virginia has started a lottery, and 2. Revenues are very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the NC House.

Contact your NC House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May 1990 session.

Even with such a busy legislative agenda the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health. . . because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

Annuity Board Report 1989

The Annuity Board continues to blaze trails in the effort to "serve those who serve the Lord". The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

. Developing a long term care plan suitable to Southern Baptist ministers and their families;
. Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;
. Providing more choices for ministers seeking to meet the needs for family insurance protection;
. Continuing to work hard to control health care costs;
. Developing materials on financial planning;
. Continuing to make churches and ministers aware of retirement and insurance plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

. Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.
. 68% of Montgomery Baptist churches participate in Annuity Plan.
. Of the 64%, many do not actually make contributions. The minister does this on his own.
. Small contributions make the annuitant's benefits small:
In North Carolina:
184 receive less than $50
493 receive less than $100
1006 receive less than $200
1287 receive less than $300
. We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.
. We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a *great* challenge before us to help ministers prepare for the future and to help churches be responsible employers.
Let's keep up the good work.

The North Carolina Baptist Foundation Report 1989

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principle is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation are now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Baptist Children's Homes of North Carolina, Inc.

Michael C. Blackwell, President

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday school departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

North Carolina Baptist College Report - 1989

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students, and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

The American Bible Society Report

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. Conscious of the outstanding service which the Southern Baptist Convention has provided to the people of the world through your support of this ministry, we are happy to submit this report highlighting some of the Society's activities during 1988.

Opening new ways to the Word for people throughout the world is a challenge which grows in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith--faith in God and in the generosity of concerned Christians in this country. The American Bible Society is sincerely grateful for the contributions, totaling $251,951.11 received from your churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

Director of Missions Report

(Ben Hall)

As an Association, we are pressing forward in the work always seeking new areas where we can minister to the churches and people of our community.

One of the highlights of the year was the Strategy Planning retreat. From that retreat, we gleaned materials to bring as a recommendation of strategy for the next five years for the association. Yet, like anything else, it's success depends on the support which we receive from the churches. We are asking every church to give 4.5 percent of their undesignated offerings by September 30, 1995. If you would increase your giving by one-half percent each year, it would not take long for you to make that goal. Already many of our churches are giving four percent. Some give five percent and six percent already.

As we look at the finances of this year, we have received only $33.70 above 1988-89. We have had an increase in our budget, but not a sufficient increase in our support.

We must get seriously concerned and involved in the ministry of the Association. As we activate our Long Range Planning, we will need more support in volunteers and financial support.

New beginning and new work is before us. We have seen great needs in our community for help in food, clothing and social ministries. We have seen the Hispanic work become a part of the Association. Along with this work, the "Here's Hope" Crusade among the Hispanic people was well received and attended. Twenty people made professions of faith. Also, we have received Rev. Cirilo Sánchez to minister with the Hispanic and lead the work at the Hispanic Center in Candor. Let's give our prayer and support to this ministry.

Discipleship Training

(Virginia Blake)

Discipleship Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Discipleship Training Program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Discipleship Training Program has responsibility for training in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization and Skill Development (in performing the function of a New Testament Church).

During this past church year Discipleship Training in our association has: sent the director, Virginia Blake, to Key Leadership Conference; invited Wendy Edwards (Assistant State Discipleship Training Director) to Pastors Conference to stress the importance of Discipleship Training to the Pastors of our Association; held "M" Night November 9 at Laurel Hill with 88 present, nine churches were represented and eight pastors present. We are still having encouraging comments about the success we had.

Some of the goals set by our Association Discipleship Training Council are: begin at least three new Discipleship Training Programs; sponsor an Equipping Center Seminar; promote the drills and tournaments; and reach 125 at our annual "M" Night November 26 at Troy First Baptist this year.

Woman's Missionary Union Report

(Shirley Hall)

The associational WMU helps the churches in the association to promote and to support mission work in NC and the SBC.

The theme for the Woman's Missionary Union during 1989-90 was "In His Name. . . Reach, Teach, and Touch." The associational WMU Council members reached out in many ways through the year by leading their age-level activities, by attending the state training for WMU leaders and by organizations. Here are the happenings:

NOVEMBER - Baptist Women's World Day of Prayer at Troy First.

DECEMBER - Council sponsored a "Christmas Pounding." Canned goods were collected from several WMU organizations. Twenty-four boxes were distributed to the needy in Montgomery County. Also in December, Phyllis Castelloe led the GAs in the Association in a *GA Activity*. Martha McAlister, our special missionary, spoke to the girls.

FEBRUARY - Grace Memorial started a Baptist Women Organization. Shirley Hall and Susan Warner led the women in getting organized. Also, Candor Baptist organized two new WMU organizations, a Baptist Young Women group and a Mission Friends group.

APRIL - The Annual WMU session was held at Star First. At the beginning of the annual meeting the Acteens sponsored a Mission Fair. Over 80 Baptist Women and Acteens were present. The women brought special gifts for the Cameron Home Boy's Camp. The women also gave $121.00 through a special offering to be used for the Cameron Home building fund. Our mis-

sionary speakers were Steve and Bonnie Davenport, retired missionaries to Argentina.

MAY: - Forty Baptist Women met at Troy First for their annual Prayer Retreat. Susan Warner, BW Director, led the retreat. Pam Lowder of Albemarle spoke on "What Happens When Women Pray."

JUNE - Six associational WMU Council members attended the State WMU leadership training at Caraway.

SEPTEMBER 20 - The WMU Council led a training workshop at Troy First for all the WMU leaders in the association. Nine churches were represented.

29 - The Associational Acteens had a "Round Up" at Mt. Carmel. Vada Whitaker, Acteens Director, led the girls in several activities.

Again, the Montgomery Baptist Associational WMU Council has received a Certificate of Recognition from the State WMU for their outstanding work. The WMU Council members for the year were: Shriley Hall - WMU Director, Susan Warner - BW Director, Vada Whitaker - Acteens Director, Phyllis Castelloe - GA Director, Carolyn Plowman - MF Director, Isabelle Cranford - MA/PA Director, and Phyllis Morris, Secretary.

Report of the Credentials Committee

The Credentials Committee, in compliance with Article 7 of the Montgomery Baptist Association Constitution, hereby makes the following recommendation.

The Credentials Committee presents the Association a favorable report for the Grace Memorial Baptist Church.

It is the recommendation of the Credentials Committee that the church be received into full membership of the Montgomery Baptist Association and their pastor and members be received as a part of the Association this 23rd of October 1990.

Respectively submitted,
THE CREDENTIALS COMMITTEE
Clyde Comer, Wayne Dunn, Gary McNeill

Baptist Men Report

(Paul Gordon)

The purpose of the Baptist Men Director is to support the churches of the Montgomery Association in its tasks of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions.

The men of our Association have been involved in six (6) projects, and are working on the plans for the seventh.

1. We completed hanging 60 percent of the sheetrock at Northridge Baptist Church at Rural Hall, NC.
2. Built a deck and 24-foot ramp for a handicapped girl at Candor.
3. Remodeled the canteen at Camp Caraway.
4. Helped build a mission church at Groometown, NC.
5. Fred Hare helped coordinate and rebuild Unity Grove Baptist Church at Robbins, NC.

6. Started work on the chuckwagon (kitchen and dining hall) at Cameron Boy's Camp on the 20th of August, our goal is to be complete by Thanksgiving. To date there has been 12 men from six churches involved, with more men and churches committing to donate their service.
7. The men of our Association have been challenged with a mission trip to Salvador, Brazil to help construct the "Bahia Camp." Missionary Dan Callis, who has visited the Montgomery Association and has spoken at some of our churches, has given us the invitation to participate in this mission opportunity. Our goal is the first week of March 1991.

The churches that have supported the mission projects are: Candor, Dover, Laurel Hill, Mt. Carmel, Pleasant Grove, and the Pee Dee Mission.

The individuals involved were: Rev. Lonnie Gibson, Paul Haywood, Ivey Haywood, Fred Hare, Winford Davis, Mike Lucas, Ronnie Lucas, Danny Hinson, Roy Clayton, Paul Gordon, Becky Gordon, James Johnson, Redrick Campbell, Teddy Sedberry, Dean Lewis, Rev. Bill Turnmire, Reese Stutts, Cecil Green, Fred Steed, and Barry Thompson.

We encourage more men and all of our churches to support and become involved in mission support as the opportunity arises.

Stewardship Report

(Bill Turnmire)

Thank you, Montgomery Baptist Association Churches, for your giving this past year to the Association. Although we have not come to the point where our Association is self-supporting, we have made progress toward that end. Our giving from the churches was only up $127.21 over last year, when we as Montgomery Baptists are capable of giving much more, as the Lord has blessed greatly. Last year the undesignated gifts was $1,107,339. The goal of seeing our churches giving four percent to the Associational work would mean an increase of $10,000. If we could reach that goal, we would have no problems in doing all the work the association would like to accomplish. When churches work together to accomplish their goals, they must always see the need of giving their money to meet their goals. One sign of a healthy church is that they see themselves as doing something about world missions. I believe giving to our associational work plays a vital part in reaching people for Christ. We know that "God loves a cheerful giver." Will your church be part of the growing number that will give more to our Association this coming year? My prayer is that you will give with a cheerful heart.

Evangelism Report

(Tom Teems)

Several of our pastors went to Caraway for the Regional Evangelism Conference. While we were there, we were challenged to be involved in the "Here's Hope" Revivals in the Spring.

Most of our churches were involved in the "Here's Hope" Revivals. The reports we received were positive in the results.

Let me encourage you to be more involved in evangelism in the years to come. Jesus said, "Lift up your heads, and look, the fields are ripe to harvest." Thanks for your prayers and support.

Church Music

(Mark Hill)

Church Music is a source of inspiration, outreach, and fellowship for each local church. Associational Church Music can involve those same elements as we work together on a larger scale to share Jesus Christ through music.

During the past year we are excited that our Adult Choirs have shown a good increase! The number of persons playing handbells has almost doubled! Quartets, trios and vocal groups have also shown an increase, and there are several more instrumental groups playing in our churches. The decline in the overall church music program has come in the areas of children and youth. The music reports show that we have lost 90 children and youth over the previous year. We need to encourage our churches to provide quality musical experiences for our boys and girls on a regular basis.

Thank you for the work that you do! Let us strive to continue working together. Also, let us reach out to involve and encourage our children and youth in praising God through song.

Report of the Resolutions Committee

(Carolyn Plowman)

Whereas, God had richly blessed our Churches and our Association during the past year, and

Whereas, in this 102nd Annual Session of the Montgomery Baptist Association meeting at Tabernacle Baptist Church, Troy, on October 23, 1990, and Dover Baptist Church, Star, on October 24, 1990, we have seen growth and spiritual unity prevail. Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Raleigh Castelloe for his able and dedicated service as our moderator and to Sue Blake for her faithfulness as our clerk;
3. That we express our appreciation to Rev. Ben Hall for his leadership as our Associational Director of Missions;
4. That we express our appreciation to Tabernacle and Dover churches for the gracious manner in which they hosted the association, and for all the churches that provided the delicious meal;
5. That we express appreciation to those who have faithfully worked in The Sharing Place and the Food Ministry;

6. That we encourage all our churches to continue to share in the ministry of our Lord through the association;
7. That we encourage our churches to be aware of opportunities to minister to the newcomers in our community;
8. That we encourage our churches to take advantage of the opportunities for training in the Association and in the state.

1990 Report of Baptist Children's Homes of North Carolina, Inc.

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist Hospital Report to Associations 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Science Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion is the Day Care Center for children of medical center employees. Under construction is

an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Craniofacial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

North Carolina Baptist Foundation Report to Baptist Associations of North Carolina

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist

Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed, has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over $13 million through May 1990. This exceeds the asset growth goals set in 1986 for a five year period.

Trust income distributed to Baptist institutions and mission causes 1988 and 1989	$ 1,106,930
Trust income distributed to individuals with Baptist causes named as charitable remainderman during 1988 and 1989	$ 1,361,836
Assets held in trust and endowment funds as of June 1, 1990 (unaudited)	$26,176,481
Assets held in trust and endowment funds as of December 31, 1989 (audited)	$18,133,634

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs seven full-time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

Respectfully submitted,
Edwin S. Coates, Executive Director

Baptist Retirement Homes of North Carolina, Inc.

1990: PROVIDING THE BEST OF TIMES TO NC OLDER ADULTS

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina, Inc., which operates four residential facilities for Older Adults around the state — in Albemarle, Asheville, Hamilton and Winston-Salem.

In Albemarle, Baptist Retirement Homes has provided assisted living in a residential setting for 30 Older Adults since 1953.

Its ministry is greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby chur-

ches provide fellowship, entertainment, skills and physical labor, household needs — whatever they see are needed by the home.

The Albemarle Baptist Home also offers respite care for those families who are responsible for an Older Adult and need some time away from that responsibility.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

The other homes around the state have equally promising years ahead.

The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a 60-bed healthcare unit to the Western North Carolina Baptist Home.

Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

In Winston-Salem, Brookridge celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care — independent living in garden homes, independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit — to 350 Older Adults.

The Hamilton Baptist Home also provides assisted living in a residential setting to 30 Older Adults in a small community in Eastern North Carolina.

Please pray for our ministry.

North Carolina Baptist College Report 1990

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is The Answer, What Is The Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important question:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together.

THE TRIPOD

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than 100 years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. *The authority of the Scriptures and the Lordship of Christ.* Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.
2. *The competence of the individual and the priesthood of believers.* Each individual has the right to approach God directly, and every individual is competent to deal with God in all matters pertaining to salvation and the Christian life.
3. *The autonomy of the local church and cooperation in Christian service.* Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.
4. *Freedom of religion and a free church in a free state.* Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

1990 Annual Report
Christian Action League of North Carolina, Inc.

The last 12 months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wasn't enough because the Christian community spoke up.

You can rest assured that the gambling industry will be back in 1991.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee. but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

The House Bill provided for:

a. the lowering of the breathalyzer blood alcohol level from .10 to .08;

b. The banning of open containers of all alcoholic beverages in motor vehicles;

c. Increasing the civil revocation of drivers' licenses from 10 to 30 days (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer);
d. Increasing the fines for being convicted of drunk driving (in 1947 the minimum fine was $100, and it is still the same 43 years later);

3. ABORTION
   a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.
   b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion).
4. OBSCENITY

   The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

   The U.S. Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children."

   We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.
5. MISCELLANEOUS

   Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were sidetracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication, *Tomorrow,* and through speaking in churches, pastors conferences, and civic clubs.

Thank you for your prayers and financial support in our Ministry and Applied Christianity.

Joe S. Lennon, President
